

## Call for expressions of interest in presenting a workshop

As part of the Darwin conference program, the HTAA is keen to enable NT teachers of History, both Primary and Secondary, to share their practices with other teachers. Two 45 minute workshop sessions from 11.00-11.45 and 11.45-12.30 are available. Teachers of History are invited to send in proposals for consideration to the Conference Convener, Andrew Buxton at [abuxton@concordia.sa.edu.au](mailto:abuxton@concordia.sa.edu.au) using the space below by **Friday 12th March**. Conference organisers will be in touch to confirm workshops shortly after the closing date.
